

ATTENTION FAMILIES

ADVISORY APRIL 10, 2020

Due to the effect that COVID-19 has had on the operations and fundraising of the Kids with Cancer Society, we are required to make some changes. Contact our office 780.496.2459 to discuss further.

PRESCRIPTIONS

Prescriptions will **no longer automatically** include a Kids with Cancer Society stamp to cover medication costs. Instead, families will be individually assessed by our Support Counsellors if financial support is required for prescriptions.

DAILY LIVING SUPPORT

Daily living fund amounts available **will be reduced** and will continue to be assessed on a case-by-case basis by our Support Counsellors.
